**PETITION REQUESTING
WITHDRAWAL OF ABANDONMENT**

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Petitioner requests that the abandonment of the above-identified application, as set forth in the "Notice of Abandonment" (**Exhibit A**) mailed by the Patent and Trademark Office on July 1, 2010, be withdrawn.

- 1) A Notice of Allowability was mailed on March 10, 2010, (**Exhibit B**). In addition to paying the required Issue Fee, Petitioner was also required to submit corrected drawings within a period of three months from the mailing date of the Notice of Allowance (by June 10, 2010).
- 2) On June 9, 2010, Petitioner timely filed its "Issue Fee Transmittal" and paid the required issue and publication fees, (**Exhibit C**). This Response was timely filed because it was filed prior to the June 10, 2010 deadline set by the Notice of Allowability.
- 3) Petitioner claims that it inadvertently neglected to submit corrected drawings pursuant to the Notice of Allowance and hereby submit the corrected drawings in compliance with the request as stated in item 5 of the Notice of Allowability.

Compliance With All Requirements of 37 C.F.R. Rule 1.8

Petitioner believes that all requirements of 37 C.F.R. Rule 1.8 have now been complied with.

In the Event That The Present Petition To Withdraw Abandonment Is Not Granted, In The Alternative, Immediately Consider This Correspondence A Petition To Revive The Application On The Grounds of Unintentional Delay

In the unlikely event that the present Petition To Withdraw Abandonment is not granted, Petitioners request that, in the alternative, this Petition be immediately considered to be a Petition to revive the application on the grounds of unintentional abandonment under 37 C.F.R. 1.137(b). Petitioners hereby make the required statement that the entire delay was unintentional. The Commissioner is authorized to charge the required petition fee to Deposit Account No. **50-1556**.

Attached Three Exhibits

Submitted herewith are copies of the following:

1. "Notice of Abandonment" that was mailed on July 1, 2010, (**Exhibit A**);
2. "Notice of Allowability" mailed March 10, 2010, (**Exhibit B**),
3. "Issue Fee Transmittal" filed on June 9, 2010 (**Exhibit C**)
4. Submission of Replacement Drawings with replacement drawings of Figures 1-5). (**Exhibit D**).

Conclusion

As no defect exists in Petitioners' previous submission, Petitioners have not enclosed a fee payment. However, should consideration of this Petition require payment of a fee, the Office is authorized to charge such fee to Deposit Account No. **50-1556**.

The Commissioner is hereby authorized to charge any fees that may be required or credit any overpayment to Deposit Account No. **50-1556**.

Examination of the application and issuance of this application in view of the Notice of Allowance mailed March 10, 2010, Issue Fee Transmittal filed on June 9, 2010 and the Submission of Replacement Drawings dated August 25, 2010 with replacement drawings of Figures 1-5 are respectfully requested.

Respectfully submitted,

Date: August 25, 2010
